Retailer Comments

The 2025 Land Rover Range Rover P550e SE SWB represents the pinnacle of luxury and performance, seamlessly integrating advanced technology with refined design. At its heart lies a 3.0-liter six-cylinder Ingenium engine paired with a 160 kW electric motor, delivering a combined output of 550 horsepower and 516 lb-ft of torque. This plug-in hybrid system offers an electric-only range of up to 51 km, allowing for most short commutes with zero tailpipe emissions. Inside, the Range Rover P550e SE SWB offers a refined cabin featuring a sliding panoramic roof that floods the interior with natural light. The standard Meridian™ Sound System delivers an immersive audio experience, while the powered upper and lower tailgate provides convenient access to the cargo area. Additional standard features include heated, electric, power-fold door mirrors with approach lights and auto-dimming, laminated front and rear side glass, heated windshield, front fog lights, LED headlights with signature DRL, heated washer jets, flush deployable door handles, rain-sensing windshield wipers, and automatic headlights with headlight power wash. Designed to offer both luxury and capability, the Range Rover P550e SE SWB is equipped with a 48-volt mild-hybrid system that enhances fuel efficiency and reduces emissions. This system seamlessly integrates with the vehicle's performance, ensuring a refined and responsive driving experience. Whether navigating urban streets or exploring rugged terrains, the Range Rover P550e SE SWB stands as a testament to Land Rover's commitment to excellence, offering a harmonious blend of luxury, performance, and advanced technology.
