Introducing the 2025 Land Rover Range Rover Sport P460e Dynamic SE—a masterclass in electrified luxury and dynamic performance. This plug-in hybrid SUV pairs a turbocharged 3.0L inline-six engine with an electric motor, delivering a combined 454 horsepower and 487 lb-ft of torque. The 8-speed automatic transmission and all-wheel drive system ensure responsive handling and a refined driving experience. With an electric-only range of up to 85 km and a total driving range of 654 km, the P460e offers both efficiency and versatility for urban and long-distance journeys. Inside, the Range Rover Sport P460e Dynamic SE offers a suite of standard features designed for comfort and convenience. The cabin is equipped with an 11.4-inch Pivi Pro touchscreen, an Interactive Driver Display, and a Meridian™ Sound System, ensuring both luxury and functionality. Connectivity is seamless with Apple CarPlay®, Android Auto™, and SiriusXM™ satellite radio, complemented by wireless device charging and multiple USB ports throughout the cabin. Two-zone Climate Control with second-row vents maintains an ideal environment for all occupants, while thoughtful touches like auto-dimming mirrors and ambient cabin lighting enhance the overall driving experience. Safety and driver assistance are paramount in the Range Rover Sport P460e Dynamic SE. Standard features include Emergency Braking, Blind Spot Assist, Lane Keep Assist, and Adaptive Cruise Control, all contributing to a secure and confident drive. The 3D Surround Camera system and Rear Traffic Monitor provide comprehensive awareness of the vehicle's surroundings, while Front and Rear Parking Aid facilitate effortless maneuvering in tight spaces. Additionally, the powered tailgate and keyless entry add convenience to every journey. With a towing capacity of up to 2,994 kg, the Range Rover Sport is as versatile as it is capable, ready to support your adventures and daily endeavors alike.
