Retailer Comments

Additional options included: 19" Wheels - Gloss Dark Grey (Style 5136) 3D Surround Camera The 2026 Range Rover Evoque P250 S delivers a commanding presence with its turbocharged 2.0L inline4 engine producing 246 horsepower and 269lb-ft of torque, paired with a refined ninespeed automatic transmission and standard all-wheel drive—ensuring confident performance in every weather or terrain with Land Rover’s signature Terrain Response2 system, hill descent control, torque vectoring by braking, hill launch assist, and All Terrain Progress Control all included as standard. Inside, the Evoque P250 S surrounds occupants with engaging technology and effortless comfort. A standard 11.4inch touchscreen powered by the PiviPro connected infotainment system features wireless Apple CarPlay and Android Auto integration, along with SiriusXM satellite radio, Bluetooth, trip computer, voice control, and Meridian premium audio—all elevating daily journeys to exceptional levels. The instrument cluster employs the Interactive Driver Display with digital clarity, while smart-key keyless entry and start, autodimming rear view mirror, heated steering wheel, and twozone automatic climate control ensure seamless convenience and intuitive operation. Safety and driver assistance features are comprehensive. Standard adaptive cruise control with speed limiter, lane keep assist, emergency braking and forward collision warning, blind spot assist with rear traffic monitor, rear camera, front and rear parking aid, traffic sign recognition, driver condition monitor, and perimeter alarm provide peace of mind on every drive. This refined Evoque couples Land Rover’s renowned offroad capability and advanced safety architecture—such as stability controls, traction systems, electronic parking brake, and towready preparations—for a polished driving experience befitting a luxury SUV by design.
