## Retailer Comments

Additional options included: Air Suspension Pack Black Exterior Pack 20" Wheels - Style 5098 Ebony, Resist Seats Tow Hitch Receiver The 2025 Defender 110 P300 S features a standard turbocharged 2.0L inline4 engine producing 296hp and 295lbft of torque, paired with an eightspeed automatic transmission and permanent fulltime allwheel drive. Offroad capability is embedded within the standard spec through Terrain Response 2, Hill Descent Control, Hill Launch Assist, and electronic traction systems like ESC and roll stability control. It also includes adaptive cruise control and a configurable adaptive dynamics system. The EnerGuide fuel economy is rated at approximately 12.6L/100km combined, delivering a driving range of up to about 714km on a full 90L fuel tank. Inside, the cabin blends rugged sophistication with modern connectivity. Standard features include the 11.4inch PiviPro infotainment system with Meridian™ Surround Sound, SiriusXM satellite radio, HD Radio, AppleCarPlay, Android Auto, Bluetooth audio streaming, and realtime traffic display . Practical luxury is enhanced by wireless phone charging, multiple USB ports front and rear, proximity smartkey entry with pushbutton start and remote engine start, HomeLink garage door opener, and dualzone automatic climate control. Additional convenience touches include a heated steering wheel, rainsensing wipers, automatic highbeam LED headlights with signature DRL, powerfolding heated autodimming side mirrors with approach lighting, perimeter and approach lighting, and a panoramic express-open sunroof with power sunshade. The Defender's standard safety and driverassistance suite is both comprehensive and intuitive. Included equipment comprises adaptive cruise control with stopandgo, lanekeeping assist with departure warning, blindspot assist, emergency autonomous braking, reartraffic monitor, and a 3D surroundview camera system with front and rear parking sensors. Complementing these are ABS with brake assist, electronic stability and traction control, curtain and side airbags, tirepressure monitoring, daynight autodimming rearview mirror, airfiltration system, and a full perimeter alarm and immobilizer—delivering uncompromising confidence for luxury clients.
