Retailer Comments

Additional options included: Air Suspension Pack Black Exterior Pack 19" Wheels - Gloss Black (Style 6010) All-Terrain Tires Ebony, Resist Seats Tow Hitch Receiver The 2025 Defender 110 P300 S is powered by a standard 2.0L turbocharged inline4 engine, delivering 296hp and 295lb-ft of torque. This engine is paired with an eight-speed automatic transmission and fulltime allwheel drive, ensuring confident performance across various terrains. The Defender 110 P300 S is equipped with advanced off-road capabilities, including Terrain Response 2, Adaptive Dynamics, and an electronic active differential with torque vectoring by braking, allowing for exceptional handling and control in diverse driving conditions. With a towing capacity of up to 7,716lb (3,500kg) when using a weight-distributing hitch, it is well-suited for both rugged adventures and everyday tasks. Inside, the Defender 110 P300 S offers a blend of modern technology and practicality. The standard 13.1-inch Pivi Pro touchscreen infotainment system provides seamless connectivity with features such as Apple CarPlay, Android Auto, SiriusXM satellite radio, HD Radio, and Bluetooth streaming. Additional standard amenities include wireless phone charging, keyless entry with push-button start, HomeLink garage door opener, dual-zone automatic climate control, and a heated steering wheel. The cabin is designed with durable materials and thoughtful storage solutions, ensuring comfort and convenience for all occupants. Safety and driver-assistance technologies are integral to the Defender 110 P300 S. Standard features include adaptive cruise control with stop-and-go functionality, lane-keeping assist with departure warning, blind-spot assist, emergency braking, rear traffic monitor, and a 360° surround-view camera system with front and rear parking sensors. These systems work in harmony to provide enhanced safety and confidence on every journey. Additional standard features encompass automatic LED headlights with high-beam assist, rain-sensing wipers, power-folding heated side mirrors with approach lights, and a powered tailgate, all contributing to a refined and secure driving experience.
