Retailer Comments

Additional options included: 19" Wheels - Gloss Black (Style 5136) Ebony, Grained Leather Seat Trim Black Contrast Roof The 2026 Range Rover Evoque P250 S is the definitive statement in compact luxury, offering a blend of distinctive design, capable performance, and high specification standard features. Power comes from the responsive 2.0 L turbocharged four cylinder engine, delivering 246 horsepower and substantial torque. This dynamic power is delivered through a smooth 9 speed automatic transmission to the standard All Wheel Drive AWD system. Core to its all terrain capability is the standard Terrain Response 2 system, which automatically optimizes the vehicle's dynamics for challenging surfaces, ensuring confidence and control in all Canadian driving conditions. The cabin is a highly refined space, focusing on sophisticated technology and essential comfort. The centerpiece of the modern interior is the standard 11.4 inch Pivi Pro touchscreen infotainment system, providing a clean, intuitive interface for all vehicle controls. This system includes standard wireless Apple CarPlay and Android Auto integration, ensuring your digital world is seamlessly connected. For a truly immersive experience, a standard Meridian Sound System fills the cabin with rich, high quality audio. The atmosphere is further enhanced by the standard sliding panoramic roof, bathing the interior in natural light. Standard convenience and safety systems complete the luxurious daily experience. All weather comfort is assured with a standard heated steering wheel and Two zone Automatic Climate Control. Safety is actively supported by the standard Adaptive Cruise Control, which intelligently manages speed and distance, and Blind Spot Assist, which provides essential awareness during highway driving. Practicality is built in with standard Keyless Entry, a Garage Door Opener HomeLink, and a powered gesture tailgate, which simplifies loading and unloading. The 2026 Evoque P250 S delivers uncompromising standard refinement, capability, and cutting edge technology.
