Additional options included: Black Exterior Pack Ebony, Grained Leather Seat Trim Sliding Panoramic Roof The 2026 Land Rover Range Rover Sport P360 S is the foundational luxury SUV that immediately impresses with its blend of athletic performance and sophisticated technology. Powering this dynamic machine is a robust 3.0 L turbocharged inline six cylinder engine featuring Mild Hybrid Electric Vehicle MHEV technology, delivering a strong 355 horsepower and 369 lb ft of torque. This ample power is channeled through an 8 speed automatic transmission and the intelligent All Wheel Drive AWD system, ensuring composed stability and confident traction in all driving conditions. For a ride that is uniquely composed, the Range Rover Sport features standard Dynamic Air Suspension and Adaptive Dynamics, allowing the vehicle to seamlessly monitor the road and instantly adjust damping for an exceptionally controlled and responsive experience. The cabin is a sanctuary of modern, connected luxury. The interior experience is centered on the standard, large 13.1 inch curved Pivi Pro Touchscreen infotainment system, which serves as the command center for navigation and media. The system includes standard Wireless Apple CarPlay and Wireless Android Auto, and an integrated Wireless Device Charging pad for effortless smartphone integration. The driver receives critical data from the standard Interactive Driver Display, a fully digital instrument cluster. For an elevated atmosphere, the vehicle features a standard Panoramic Sunroof and a premium Meridian Sound System with 13 speakers, creating an immersive environment for all occupants. Safety, convenience, and capability are standard and comprehensive in the Range Rover Sport S. It is equipped with essential driver assistance technologies including Adaptive Cruise Control with Stop and Go, Blind Spot Monitor, and a 3D Surround Camera System that makes maneuvering effortless. Premium convenience is highlighted by the standard Soft Door Close function and Keyless Entry. For off road confidence, the vehicle includes Terrain Response 2, All Terrain Progress Control ATPC, and Hill Descent Control HDC, which automatically optimize vehicle settings for diverse terrain. The 2026 Range Rover Sport P360 S is a powerful, elegant, and fully equipped luxury vehicle from its very foundation.
