This Plug in Hybrid Electric Vehicle PHEV is engineered around a powerful 3.0 L turbocharged six cylinder engine, working in concert with a potent electric motor to deliver a combined system output of 454 horsepower and significant torque. This assertive power is seamlessly managed by an 8 speed automatic transmission and the legendary All Wheel Drive AWD system. The standard Dynamic Air Suspension and Adaptive Dynamics provide a truly composed and thrilling drive, automatically adjusting to road conditions while ensuring exceptional off road capability with Terrain Response 2. The significant pure electric driving range allows for quiet, emission free commuting, offering efficiency without sacrificing performance. The Dynamic SE interior is a masterful blend of modern design and integrated digital technology. It features the award winning Pivi Pro infotainment system, accessed through an expansive 13.1 inch curved touchscreen display, which seamlessly integrates with both wireless Apple CarPlay and Android Auto. Information vital to the drive is presented on a high resolution Interactive Driver Display. For an immersive audio experience, the cabin is equipped with a standard Meridian Sound System. Essential comfort features like the heated steering wheel and two zone Climate Control are standard, reinforcing the vehicle's commitment to luxurious, all weather daily use. Advanced safety and convenience systems are standard, ensuring a confident and effortless journey. The driver is supported by Adaptive Cruise Control with Steering Assist, which intelligently manages speed and lane position on the highway. Maneuvering is simplified by the comprehensive 3D Surround Camera system and Front and Rear Parking Aid. Further driver support comes from standard Blind Spot Assist and Emergency Braking systems. Convenience is integrated through standard Keyless Entry and a powered gesture tailgate, which opens with a simple movement, solidifying the 2025 Range Rover Sport P460e Dynamic SE as a powerful, technologically advanced, and supremely capable luxury SUV.
