Additional options included: Black Exterior Pack Towing Pack 22" Wheels - Satin Dark Grey (Style 5127) 12-Way Electric Heated Front Seats w/ Memory Sliding Panoramic Roof The 2026 Land Rover Range Rover Sport P360 S serves as the sophisticated entry point into the Range Rover Sport lineup, offering a perfect blend of minimalist luxury and athletic capability. Under the hood, the refined P360 3.0L Inline-6 engine with mild-hybrid technology produces a smooth 355 hp and 369 lb-ft of torque. This powertrain, combined with a seamless 8-speed automatic transmission, delivers the effortless acceleration and high-speed composure expected of a luxury performance SUV. Standard Dynamic Air Suspension and Adaptive Dynamics ensure the vehicle remains flat in the corners while providing a supple, "library-quiet" ride across Canada's diverse road surfaces. The interior is a sanctuary of modern refinement, featuring Land Rover's most advanced digital architecture to date. The dashboard is anchored by the stunning 13.1-inch curved glass Pivi Pro touchscreen, which provides haptic feedback and controls everything from navigation to cabin climate. Occupants are treated to premium grained leather seats, with 12-way heated memory front seats and heated power-reclining rear seats ensuring long-distance comfort for all passengers. The standard fixed panoramic roof provides an expansive view of the sky, while the 15-speaker Meridian™ Sound System creates an immersive acoustic environment. While the "S" trim focuses on sleek, reductive design, its off-road DNA remains fully intact. Standard Terrain Response 2 automatically monitors driving conditions to select the optimal chassis and powertrain settings, while the 3D Surround Camera with Wade Sensing allows for confident maneuvering in tight spaces or through water up to 900 mm deep. Safety is comprehensive, featuring standard Adaptive Cruise Control with Steering Assist, Lane Keep Assist, and Traffic Sign Recognition. For the driver who values the prestige and presence of a Range Rover Sport in a highly capable and tech-forward package, the 2026 P360 S is an exceptional choice.
