Additional options included: Premium Upgrade Interior Pack Caraway, Windsor Leather Seats 22" Wheels - Gloss Black (Style 5098) 40:20:40 Folding Heated Third Row Seats Second Row Heated & Cooled Captain Chairs Tow Hitch Receiver Body Coloured Roof The 2026 Land Rover Defender 130 X-Dynamic SE is the ultimate expression of the Defender's expanded capability, offering three full rows of adult-sized seating without compromising on-road refinement. The P400 3.0L Inline-6 engine utilizes mild-hybrid technology to deliver a robust 395 hp, providing the effortless torque required to move an 8-passenger vehicle through challenging Canadian terrain. Standard Electronic Air Suspension and Adaptive Dynamics ensure a cloud-like ride on the highway while allowing the vehicle to rise for serious off-roading, offering a maximum ground clearance of 290mm. The X-Dynamic SE trim is distinguished by its aggressive aesthetic, featuring a standard Black Contrast Roof, Satin Silicon Silver skid pans, and gloss black exterior accents. Inside, the cabin is a tech-forward sanctuary anchored by the 11.4-inch Pivi Pro touchscreen and a high-resolution Interactive Driver Display. For the 2026 model year, comfort is prioritized with standard heated and cooled front seats and Three-zone Climate Control with Rear Cooling Assist, ensuring every passenger—even those in the third row—remains comfortable. The Meridian™ Surround Sound System and configurable cabin lighting further elevate the premium atmosphere. Utility is the Defender 130's primary strength. It offers a massive 2,516 L of maximum cargo space with the rear seats folded, and even with all eight seats in use, it maintains 433 L of storage. Off-road readiness is built-in with Terrain Response 2, which automatically optimizes vehicle settings for mud, sand, or snow, while the 3D Surround Camera provides a "ClearSight Ground View" to help you navigate tight trails or high curbs. With a 6,614 lb towing capacity and a side-hinged tailgate for easy access, the 2026 130 P400 X-Dynamic SE is the perfect adventure tool for large Canadian families.
