Clocking a sports-car-rivaling 4.5 seconds to 100 km/h, the P530 provides an intoxicating soundtrack and effortless passing power that defines the Sport's "dynamic" moniker. For 2026, the Dynamic SE trim balances aggressive aesthetics—like the Gloss Black wheels and burnished copper accents—with a cabin that feels like a high-end digital sanctuary. The interior is anchored by the floating 13.1-inch curved glass Pivi Pro display, while standard All-Wheel Steering ensures this powerhouse remains surprisingly nimble on narrow downtown streets or tight mountain switchbacks. Whether you are taking advantage of the 7,716 lb towing capacity for a weekend tow or simply enjoying the whisper-quiet isolation of its Active Noise Cancellation, the P530 Dynamic SE remains the gold standard for those who want flagship V8 performance in a leaner, more athletic package.
