While the base trims focus on utility, the X-Dynamic SE adds a layer of sophisticated grit with its Satin Dark Grey wheels, black contrast roof, and highly durable Robustec interior accents—a material inspired by heavy-duty tactical gear. Under the hood, the 395 hp mild-hybrid inline-six provides the refined, effortless power necessary for a 5.8-second sprint to 100 km/h, while the standard Electronic Air Suspension ensures a cloud-like ride over broken city pavement or jagged rocky trails. The 2026 model year continues to lead with the Pivi Pro infotainment system, featuring a crisp curved glass touchscreen and a 3D Surround Camera that essentially allows you to "see through" the hood when navigating tricky terrain. With an massive 8,201 lb towing capacity and a cabin that can be hosed out thanks to its durable rubber flooring, the Defender 110 P400 is a formidable, high-tech tool built for the ultimate Canadian adventure.
