The 2026 Land Rover Range Rover Evoque P250 S remains the definitive fashion statement of the compact luxury SUV world, offering a "miniature Range Rover" experience that punches well above its weight in curb appeal. For the 2026 model year, the Canadian-spec "S" trim is more tech-focused than ever, featuring the elegant 11.4-inch curved glass Pivi Pro interface and a standard 12-speaker Meridian™ Sound System. Under the hood, the 246 hp turbocharged engine provides a zippy, urban-friendly performance, while the sophisticated Terrain Response® 2 system ensures this chic SUV can handle a slushy Toronto commute or a gravel path to the cottage with genuine Land Rover capability. With its signature flush door handles, sliding panoramic roof, and a cabin wrapped in premium grained leather, the 2026 Evoque P250 S is the perfect blend of runway-ready design and everyday British utility.
