Retailer Comments

Additional options included: Shadow Exterior Pack 23" Diamond Turned Wheels - Style 1075 Black Brake Calipers Ebony/Ebony, Perforated Windsor Leather Seat Trim Meridian 3D Surround Sound System ClearSight Interior Rear View Mirror The 2026 Range Rover P400 SE Short Wheelbase (SWB) remains the global benchmark for luxury SUVs, offering a level of sophistication and "go-anywhere" capability that is simply unmatched. For the Canadian market, the P400 powertrain is an engineering marvel, utilizing a 395 hp turbocharged inline-six with Mild Hybrid (MHEV) technology. This setup provides the silky-smooth, effortless acceleration expected of a flagship, while the standard All-Wheel Steering—which allows the rear wheels to turn up to 7 degrees—gives this full-sized SUV the agility of a compact vehicle in tight urban parking or narrow mountain passes. The 2026 "SE" trim is anything but entry-level, coming standard with premium features designed for the Canadian climate and lifestyle. The cabin is a curated sanctuary of Windsor leather and high-definition glass, centered around the award-winning 13.1-inch Pivi Pro system.
