Additional options included: Air Suspension Pack Premium Upgrade Interior Pack Off-Road Pack 19" Wheels - Gloss Black (Style 6010) Body-Coloured Spare Wheel Cover Ebony, Windsor Leather Seats Adaptive Off-Road Cruise Control The 2026 Land Rover Defender 110 P400 S enters the new model year with a significant tech injection, now featuring the massive 13.1-inch Pivi Pro touchscreen as standard for the Canadian market. At its core is the potent 395 hp mild-hybrid inline-six, a powertrain that offers both effortless highway cruising and the instant torque needed for technical off-road recovery. The 2026 "S" trim is more capable than ever, coming standard with Electronic Air Suspension and the new Adaptive Off-Road Cruise Control, which allows the vehicle to automatically manage speed and throttle over rough terrain so you can focus on steering. Inside, the cabin balances luxury with utility, featuring durable Resist performance seats, a premium Meridian™ Sound System, and a standard sliding panoramic roof that floods the interior with natural light. With its iconic boxy silhouette and a massive 8,201 lb towing capacity, the Defender 110 P400 S remains the ultimate versatile tool for Canadian winters and wilderness expeditions alike.
