Retailer Comments

The 2026 Defender 110 is engineered to go beyond expectations, combining legendary off-road capability, modern technology, and refined comfort. Purpose-built for adventure, the Defender 110 delivers unmatched versatility with a bold, durable design that reflects its iconic heritage. Inside, the Defender 110 interior is crafted to be both functional and premium. Hard-wearing materials meet thoughtful details, offering a cabin that is easy to clean yet impressively refined. The latest Pivi Pro infotainment system, intuitive controls, and available Meridian™ audio system ensure connectivity and comfort whether you're navigating city streets or heading off the beaten path. Under the surface, the 2026 Defender 110 features advanced engineering designed for extreme conditions. A robust all-wheel drive system, terrain response technology, and impressive ground clearance allow the Defender to tackle mud, snow, sand, and rocky trails with confidence. On-road, it remains composed and comfortable, delivering a smooth and secure driving experience. Advanced driver assistance technologies provide added confidence, including adaptive cruise control, blind spot monitoring, lane keep assist, 360-degree camera systems, and parking assistance. Built for exploration and designed without limits, the 2026 Defender 110 is the ultimate luxury SUV for drivers who demand capability, durability, and unmistakable character.
