Retailer Comments

Additional options included: Air Suspension Pack Black Exterior Pack 20" Wheels - Style 5098 Tow Hitch Receiver The 2025 Land Rover Defender 110 P300 S continues to be the definitive entry point for the modern adventurer, offering a mechanical purity that stays true to the Defender's storied heritage. In the Canadian market, the P300 powertrain is highly valued for its agility and efficiency; the turbocharged four-cylinder provides plenty of punch for urban commuting while maintaining the heavy-duty 7,716 lb towing capacity required for hauling boats or trailers to the cottage. The "S" trim for 2025 comes impressively equipped with high-value standard features that were once optional, most notably the Sliding Panoramic Roof and the immersive Meridian™ Sound System. The interior is built for the Canadian lifestyle, featuring heated seats and durable rubber flooring that can be easily cleaned after a weekend in the mud or snow. With the high-definition 11.4-inch Pivi Pro screen and the advanced 3D Surround Camera system—complete with sensors that monitor water depth—the P300 S is a high-tech tool designed to make every expedition feel effortless, whether you're navigating downtown traffic or a mountain trail.
